

HI I'M JENNIFER,

I live in a small cottage in the Austrian countryside with my dog, where I let my creativity flow every day. Whether it's large-scale watercolor paintings, logo design, or children's book illustrations – I love bringing stories to life through colors and shapes.

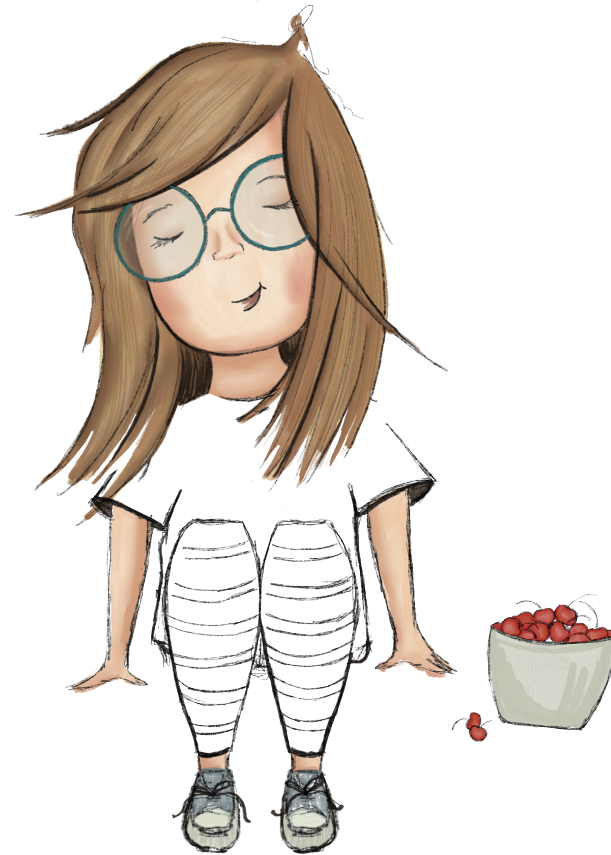

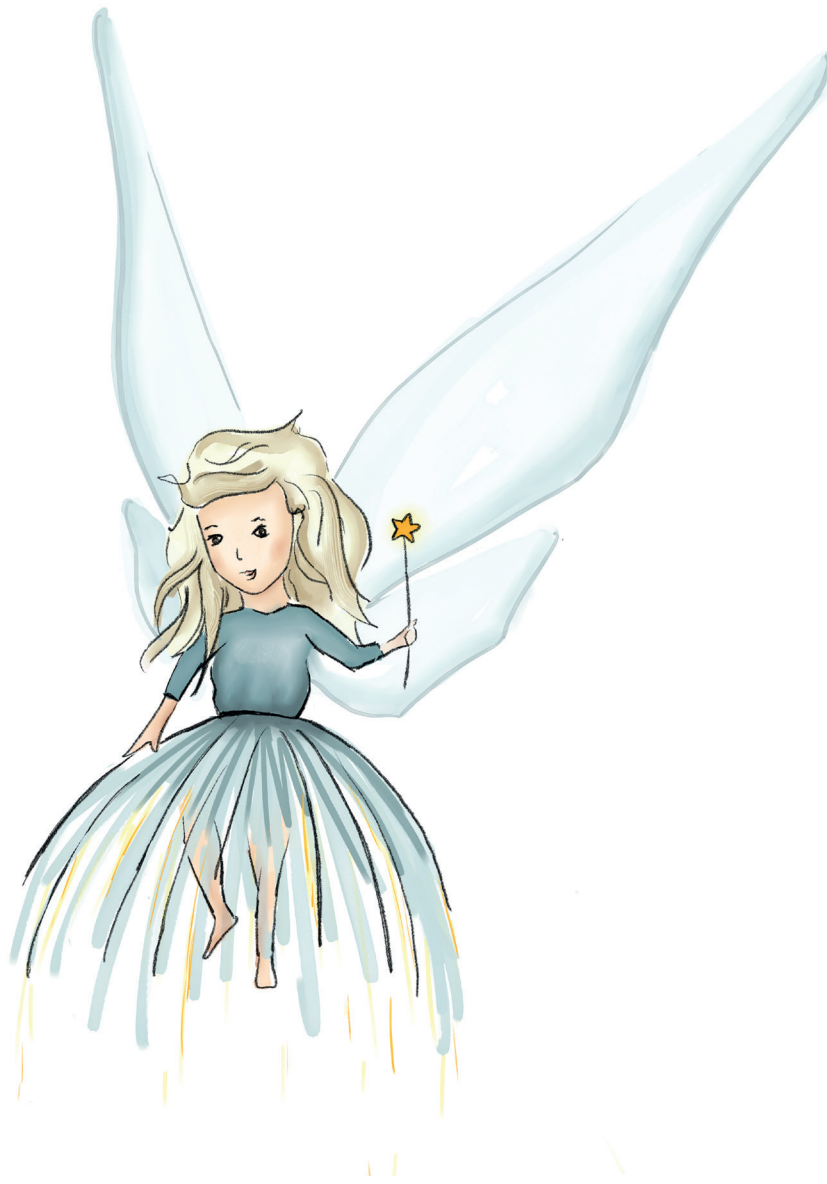

I love transforming my clients' visions into unique illustrations. There's something truly magical about the lightness and playfulness of children's book illustrations – they never fail to spark joy in me.

LET'S CREATE NEW WORLDS TOGETHER!

Lotti liebt es vor sich hinzuträumen.
Als sie eines Tages eine zauberhafte
Begegnung machte, erkannte sie, dass
es immer Wege gibt, um seine Träume
auch Wirklichkeit werden zu lassen.
Es braucht nicht viel.
Mut, Ausdauer und etwas Magie ...
